

TVBCH Meeting Minutes 6/22/2010

The June meeting @ Joe Williams barn was called to order at 1905 by President John Millington.

The upcoming BCHI BOD meeting in July was discussed.

It was proposed that Jim Freeland serve as delegate due to Whit's medical problems and Gerald Aebischer having a family commitment. Jim will go with Ken to the meeting.

Agenda items were discussed and feedback solicited on how our membership wants the delegates to vote.

John reported on the Crooked River project. About 2 1/2 miles of the trail was cleared by the 7 participants. Those participating were Dennis & Paula McDermott, Cini Baumhoff, Jill & Mark Nebeker, Mike Carl and John Millington.

The sale of calendars and distribution of the proceeds was debated. This topic will be covered at the State BOD meeting. Several options were covered with pretty much the consensus being finding a way to increase the Chapters' share of the funds.

The meeting was turned over to Joe W. for a demo on saw sharpening.

Keith distributed maps and explained the route to the trail head.

Joe gave a brief demo on packing the shingles.

Distribution of shingles for transport to 44 Cabin trail head.

Mike Carl will be the new equipment custodian. The gear will be at the Parma ranch. Mike works for High Country Plastics in Caldwell. {members can arrange to exchange equipment with Mike there during the day to save a drive clear to Parma} His phone # is 250 5685.

The Bear Valley/Bernard Lake project will be July 15-20. Paula M. is the lead.

Doug Jones is going to call Laurie Mathews about clearing the North Fork trail in July.

Tools for the projects were distributed.

Motion to adjourn by Bonnie F., 2nd by Paula.

Meeting adjourned 2042.

Submitted by Ken.
