TVBCH JUNE MEETING 2009

Bonnie Freeman, president, called the meeting to order at 1917.
Committee reports:

Whit: public lands, shared a book from the BLM regarding the Snake River area on what is and is not to be done.

Terry: equipment coordinator, equipment will now be housed at Joe Williams home.

Jill: newsletter, nothing new to report.

John: 501C, John not here.

Alice: treasurer report: positive balance.

Board rep: Ken Nungesser, needs to know how many calendars the club wants to sell. Motion made by Pam and seconded by Alice that we obtain 150 calendars to sell. All was in favor except for Joe.

Old Business: Pack and Trail challenge clinic coming up this Saturday. Alice has advertised heavily. Paula will bring cookies. Registration starts at 8:30 am. And the clinic starts at 9:30. All are needed to help with the training.

Wendy: Crooked River report. Beaver creek trail cleaned. Part of

Crooked river trail cleaned, one more large log needs to be taken out of upper part above 2nd crossing. If anyone interested in going up and clearing from the bottom end of the trail, contact Wendy and set up a time.

Joe: Camptender trail. Joe wants to switch saws to felling saws instead of the bucking saws. Wendy made a motion that the club do an inventory of existing equipment before we do any selling, buying etc. Joe also said that a forest service rep will meet him July 2 to pack into Camptender for clearing.

August Picnic meeting - Planned for August 22, 2009. Alice will check to see if the Barn is available or we could go to Doug's house or Paula's.

Jim Freeland and Ken are signed up for the pack demo at the wild horse adoption in September.

Bonnie would like to have a plaque made to be placed up at Whoop-em-up. It would give our club credit for building the camp area and the outhouse. Whit will research. Gerald made a motion to go forward with this project, Alice seconded the motion. All in favor!!

Alice made a motion to end the meeting, Paula seconded.

>>
Camptender got done on July 4th weekend!! Also got the trail to Bernard Creek done. That leaves some clearing on the upper end of N. Fork Elk Creek, beyond the Porter Creek split.
There are new photos on some of the trail listings on the website.

The August meeting will be at the Barn in Star. We had some dinners there in the past. It is off Moon Valley Road.
