September 2009 MEETING

Meeting brought to order by VP, Wendy Coome at 1930.

Committee Reports:

Election Committee: Jim Freeland had nothing to report yet. Bonnie Freeman has volunteered to take over the 501-C3. Jim is waiting for Ken Nungesser to return.

Phone Tree: Steve Watkins not here

Public Lands: Whit stated that he still has not heard anything about putting up a plaque at Whoop-em-up. He also stated that there is a board meeting coming up in November.

Equipment Coordinator: Joe Williams was not at the meeting. Wendy suggested that all the clubs equipment be rounded up, cleaned and fixed some time after hunting season. There should be a complete detailed list of all the items. Dennis McDermott stated that he does not know where the two equine first aid kits are.

501-C: John Millington stated that RAC grant is being revised. The FS has already bought the shingles for 44 cabin. Shingles need to be hauled in? A letter of support needs to be sent with the grant.

Joe Williams stated that the FS wants Pistol creek trail cleared. Joe and Terry will have a meeting with the FS soon in Challis or Salmon. Anyone with any items to be discussed please let Terry or Joe know.

All life flight fees are going up. We will contact Keith for any changes.

If there are any unpaid bills from the August picnic please submit them to John.

Paula will contact the Brand Inspector to possibly do a group brand inspection maybe out at Wilson creek? A potluck too? An email will be sent out and a notice posted on the web site as soon as details are nailed down.

January's banquet-suggestions are that we have a pot-luck here at the meeting site. Robert Washington from Idaho Equine may give a lecture on high country horse first aide (triage).

Meeting adjourned at 2025.
