TVBCH AUGUST MEETING, 2009

Meeting called to order by president, Bonnie Freeman at 1845. The meeting was after our annual summer picnic at "The Barn." The picnic was well attended.

John Millington (501-C) discussed RAC grant funding for 2010 projects. Currently he is working on obtaining funding for work on 44 cabin and Bear Valley. He is trying to get the supplies flown in for the 44 cabin. Any other projects for next year you would like funding, contact John.

Terry Burgess and Joe Williams are to meet with the Salmon Forest Service to educate them on what our club is all about.

The 2010 calendars-the front of the calendar has an Oregon picture. Some of the members are not fond of the older lady with the alcohol bottle either.

Alice has raffle tickets with her if you are interested.

Wendy will run the meetings for the rest of the year, as Bonnie has to go back to evening shift for her work.

September 12, 2009 is the wild horse sale. The club will set up a booth and 2 of the members will do a packing demo with their mustangs. At the booth we will be selling calendars. Call Jim Freeland if you can help.

Crooked River trail still needs work. Tentative weekend is September 19, 2009. Contact Wendy if you can help.

Committee for elections: Jim Freeland and Ken Nungesser
